Overview

The journey of the Annapurna Base Camp Heli trek begins in Pokhara, the gateway to the Annapurna region, where you'll board a helicopter that whisks you away on a scenic flight. As you ascend above the verdant hills, you'll be treated to panoramic vistas of the Annapurna and Dhaulagiri mountain ranges. The breathtaking aerial views of these snow-capped giants are simply mesmerizing, making the helicopter ride itself a memorable part of the adventure.

The helicopter lands at the Annapurna Base Camp, nestled among towering peaks and surrounded by the rugged beauty of the Annapurna Sanctuary. Stepping out of the helicopter, you'll find yourself in a pristine alpine environment, where the air is crisp and the silence is punctuated only by the occasional gusts of wind. The panorama of Annapurna I (8,091 meters) and its neighboring peaks is nothing short of spectacular, and it's a view that very few get to experience up close.

Itinerary

Day 01: Annapurna Base Camp - A Day in the Clouds

6:00 AM: Departure from Pokhara Hotel

Early in the morning, you will have breakfast in the Pokhara hotel. Our representative will pick you up from the hotel and take you to the domestic Pokhara airport.

6:30 AM: Fly from Pokhara Airport to Annapurna Base Camp

Once you arrive at the airport, you will get your boarding pass and proceed through airport security. The airport officer will provide guidelines and share essential information with you, and then you will enter the helicopter. You will get a marvelous view of several high mountains of the Annapurna region, the deepest Kali Gandaki gorge, conservation area, and scattered traditional settlements from the above.

7:00 AM: Explore Annapurna Base Camp and Enjoy Breakfast

The helicopter takes off from the airport and flies towards ABC. The aerial view of diverse landscapes from the helicopter is astonishing. After half an hour, you will reach ABC, and once you land at Annapurna Base Camp, you will enjoy the incredible views of the Annapurna range. You will also grab an aerial view of Gurung settlements. You will enjoy a hearty breakfast with a great view of the snow-clad mountains.

7:30 AM: Fly from Annapurna Base Camp to Pokhara Airport

You will spend around 30 minutes sightseeing around the base camp, enjoying breakfast with mountain views. This is because our bodies can not adapt to the altitude fluctuation from 1300 meters to 4100 meters in only a few hours. It will take around half an hour to fly back to Pokhara airport. You will fly back to Pokhara airport above the mountains enjoying for the one last time the magnificent view of mountain peaks and green valleys below.

8:00 AM: Land at Pokhara Airport

After half an hour of flight will land you at Pokhara Airport. Our crew members will help you to get a

transfer to the terminal point of the airport. From here, you will ride back to the hotel.

8:30 AM: Drive to Hotel in Pokhara

After the beautiful Annapurna Base Camp Helicopter Flight Landing Tour, we will drop you at your hotel. After completing this short heli tour, you can celebrate your accomplishment.
